## Dynamo Healthcare Training Academy aims to train local young people as:

- \* Clinical Healthcare Assistants
- \* Medical Receptionists / Business Admin
- \* Social Care Support Workers and Assistants

### How will we do this?

By working with employers to ensure young people are trained specifically for their roles.

### Young people will complete:

#### Stage 1

- Healthcare Cadets – 12 months (completing basic knowledge of sector)

#### Stage 2

- Healthcare Apprentice – 12 months (paid employment)

## Employers get involved

- \* Offering 1 week work experience placements
- \* Offering 20 hours' voluntary work placement over a few weeks
- \* 1 day job shadowing
- \* Offering a 12 month paid apprenticeship for our graduating cadets
- \* Help with employer workshops and information sessions
- \* Support us with curriculum development for our pre employment programmes
- \* Support careers events and engagement workshop's and presentations
- \* Minimum time commitment needed, we know you are very busy
- \* All learners have DBS checks and understand SOVA, Data protection and H&S requirements
